

JOIN KASFAA

Kansas Association of Student Financial Aid Administrators

KASFAA is a nonprofit association of post-secondary institutions and agencies who are interested in promoting the effective administration of student financial aid in the State of Kansas.

KASFAA is dedicated to serving students and advocating for high ethical standards in the financial aid profession.

WHAT DOES KASFAA DO?

FOR STUDENTS AND FAMILIES

- Help guidance counselors, students, and families navigate the financial aid process.
- Provide annual financial aid training for high school guidance counselors.
- Present Financial Aid Nights at high schools for students and families.
- Advocate for access to education through financial aid programs.

FOR INSTITUTIONS/ORGANIZATIONS

- Provide professional development opportunities for financial aid and fiscal offices, including trainings and an annual conference.
- Maintain a blog and listservs to share information with colleagues from other institutions.
- Advocate for access to education through financial aid programs.
- Provide resources and tools to help communicate with state and federal legislators.

FOR MEMBERS

- Engage in leadership opportunities on the Executive Board and committees.
- Participate in professional development opportunities.
- Apply for a scholarship to attend the regional association's Summer Institute.
- Network with other financial aid colleagues, fiscal officers, and associate members.
- Advocate for improved processes to meet Title IV federal aid compliance requirements.
