## ASSOCIATION MISSION & PURPOSE

**As part of KASFAA's STRATEGIC LONG-RANGE PLAN 2018-2021 approved by the Board in April 2018, the Association's Mission and Purpose follows:**

### KASFAA Mission & Vision

The Kansas Association of Student Financial Aid Administrators (KASFAA) is a nonprofit association of post-secondary institutions and agencies who are interested in promoting the effective administration of student financial aid in the State of Kansas. The Association has sought to ensure access to post-secondary education for the many students of this state through a variety of efforts in professional development, information dissemination, legislative and regulatory analysis. KASFAA believes that competent and well informed agencies and institutional financial aid administrators are vitally important if students are to receive the financial assistance to which they are entitled as they pursue post-secondary education.

KASFAA recognizes the need to form a strong alliance of professionals committed to the understanding of federal regulations, professional development and growth, and inform the public of the changes in the delivery of Title IV and State of Kansas funding. The Association is concerned with the application process, congressional methodology and fair and equitable treatment of all professional judgment decisions. We are reminded of our charge to provide resources and services to all students attending post-secondary education, recognizing that college costs are rising while state and federal funding levels remain constant or decline. The Association is committed to providing training to its members to ensure that financial aid is properly administered to all students.

### PHILOSOPHY

The Kansas Association of Student Financial Aid Administrators ascribes to the general principle and purpose that student aid should provide financial resources to students who would otherwise be unable to pursue post-secondary education. The Association will adhere to the National Association of Student Financial Aid Administrators "Statement of Ethical Principles."

The Association is committed to the belief that no one should be denied access to post-secondary education because of a lack of family resources, or a lack of knowledge of the financial aid delivery system or application process. It is a goal of the Association to assist those seeking assistance through all Title IV regulations.

The Association is committed to addressing issues of diversity affecting the Association and the student populations served by its membership through the various committee functions. Part of the philosophy of the Association is to assist members with professional development opportunities at annual meetings. Our mission is to counsel, verify, assess need, determine and monitor eligibility, award aid, develop procedures, prepare budgets, report, ensure quality, and provide a work environment that stresses professional growth and development.

The Core Values and Purposes as defined in the KASFAA By-Laws serves as our Code of Ethics.

## ASSOCIATION POLICIES AND PROCEDURES

This Policy and Procedures Manual defines general policies of the Association. It is intended as a guide to the officers and committee chairpersons for the effective administration of the activities of the Association. This manual also provides the necessary information about the Association Governance to the General Membership.

This manual shall be reviewed annually and updated as necessary to insure that policies and procedures are consistent with current practices and regulations. Updates and amendments other than those which are editorial in nature will be reviewed by the Association Governance committee and then forwarded for approval by the Board of Directors prior to publication. Editorial updates are those that correct errors in grammar, change formatting (i.e. font size/type), or change wording to provide consistency within the document.

## GENERAL POLICIES AND PROCEDURES

### Association Funds

#### Funds Management

The Association has a priority to conduct its business in a way that is efficient and as cost-effective as possible, while ensuring sufficient transparency and accountability. With the use of technology and an appropriate system of multiple users accessing each system independently, the financial leadership will ensure members' funds are managed appropriately.

Fund management will be conducted with four critical roles.

- Board Chair & Board of Directors – Financial oversight
- Finance Committee Chair – Reconciliation and account oversight
- Treasurer – Input into QB and generating reports for reconciliation and other activities. Participate in training, do follow-up with individuals from whom we haven't received payment and ensure the timeline for all activities are met.
- Treasurer Elect – Participate in training, do follow-up with individuals from whom we haven't received payment and ensure the timeline for all activities are met.

The Treasurer will keep all the Association funds in an insured account with reasonable fees that are the most advantageous to the Association. The Association will maintain a reasonable balance for cash flow. Since the critical costs are associated with conference expenses, the bank account balance should cover the average conference deposit costs.

Accurate records will be kept using an established system (currently QuickBooks) reflecting the income and expenses of the Association. Bills will be paid in response to invoices, cash receipt, Association credit card records, and/or a Reimbursement of Expense Voucher. Any bills for which there is not direct correlation to Association expenses will be forwarded to the Board of Directors for review and action.

Unbudgeted reimbursement requests for more than \$500 must be submitted to the Board of Directors for approval.

The bank statements will be reconciled monthly with the QuickBooks file by the Chair of Finance Committee. The review should be complete before the next month's process begins. Discrepancies will be brought to the attention of the Board of Directors.

The Treasurer's books will be reviewed annually at the close of the fiscal year. An external audit will be conducted in even years and an internal review will be conducted in odd years. The external audit will be conducted by the accounting firm as designated by the Board of Directors. The Board of Directors will appoint at least two members of the Association, one being the Associate Member Representative and one being a member of the Finance Committee to conduct the internal review. They will in turn submit their findings by written report to the Board of Directors.

An external review will be conducted at the request of the Board of Directors.

Any payment or check with an amount over \$500 should be communicated to another authorized officer prior to payment by the Treasurer. The payment will be approved by the Treasurer when he or she inputs it into QuickBooks. No check or payment will be made payable to Cash or Tender. Any check or payment to the Treasurer, Treasurer-Elect or Finance Committee Chair will be approved by another authorized officer.

### Expense Reimbursement

All expense reimbursements will be approved by the committee chair or an officer prior to being paid on a form provided. Car expense reimbursements will be paid at the prevailing IRS rate.

The President Elect, President, and Past President have travel expenses associated with fulfilling the obligations of their offices. Generally, conference travel specified below includes registration fee, airline tickets, baggage fees, parking, travel to airport/hotel, hotel, and meals not covered at the conference. Additional expenses not referenced below may be reimbursed with the approval of the Board of Directors.

- a) President Elect: NASFAA Leadership Conference
- b) President: NASFAA Annual Conference, RNASFAA Annual Conference, State Gift for RNASFAA (Each state President presents a gift at the RNASFAA conference to be given away as a door prize during the conference (approximate value \$75 - \$100).
- c) Past-President: The Past President serves as the state delegate during the initial board meetings at the RNASFAA Annual Conference. KASFAA covers costs for the state delegate to attend the Fall RNASFAA Board Meeting (RNASFAA will cover the cost of

the hotel room for the Board Meeting; KASFAA generally covers travel and other related cost). Any costs not related to the Fall RMASFAA Board Meeting are incurred at the member school's costs (KASFAA does not pay for the Past-President to attend the RMASFAA Conference). RMASFAA is responsible for covering costs associated with other board meetings not held in conjunction with the annual conference.

Board Meetings: There is a separate line item in the budget for expenses related to having KASFAA board meetings, including items such as parking passes, room rental, and meals/snacks.

Free rooms granted by a conference site facility, will be utilized first by a conference presenter for whom KASFAA is responsible for housing, then the President of the Association, and then the President-Elect, in that order.

Presenters from outside the Association will be reimbursed for necessary expenses which may include travel, meals, and/or housing. Members of the Association and/or Department of Education personnel will not be reimbursed.

Honorariums or consultant fees will be paid by the Association to presenters whom the Conference Planning Committee deems appropriate for participation at a KASFAA meeting.

### Association Credit Cards

Corporate credit cards under the name of KASFAA are available for use by the President, President-Elect, Past President and Treasurer.

- The Treasurer shall arrange with the card provider for the issuance of a corporate credit card to each authorized individual for use at the beginning of that individual's term of office.
- Credit card users shall promptly submit all charge slips to the Treasurer with an explanation of the charges. The monthly credit card bill will be sent to and paid by the Treasurer. All bills will be paid in full each month.
- The corporate credit card must be returned to the Treasurer and canceled by the Treasurer no later than two months following the end of the term of service of the cardholder.

### Write-off Policy

When an invoice, membership dues or conference fee has been unpaid for over 8 months with at least two reminders, the amount will be written off and included in the uncollectible line item. The member will have their membership suspended and will not be reinstated unless they pay the \$50 reinstatement fee.

### Membership & Conference Management Systems

KASFAA will utilize a membership and conference management system that will allow the volunteer leadership to manage the membership and conference registration process as volunteer leaders. Currently, that system is ATAC. Payments for Membership, Conference and Sponsorship are managed

within ATAC. KASFAA prefers that payments for memberships, conference and sponsorships are submitted by credit card. If a check must be issued, it should be sent to the address designated by the Treasurer. Membership, Registrations and even sponsorships will not be documented in financial or public records until payment is received.

Each year, after elections of new officers and appointment of new committee chairs, the Electronic Initiatives Committee Chair will work with ATAC to grant access according to the website update charts in the ERC handbook.

### Conference Registration Fees

Institutional members and Associate members in good standing will pay the full conference registration. Full payment applies regardless of in-kind services rendered in connection with the conference. Non-members will pay a higher rate as established by the Board of Directors annually. Member and non-member presenters who are not attending other conference sessions or activities are not responsible for paying a registration fee. Exceptions to these rules can be made with approval necessary from the Chairperson of the Conference Planning Committee.

### KASFAA Training/Conference Cancellation/Refund Policy

1. All requests for cancellations/refunds shall be in writing to the Treasurer
2. A 100% refund shall be granted if the request is postmarked at least 5 BUSINESS days prior to the start of the activity. The Treasurer shall confirm that the fee was received and issue the refund.
3. Exceptions for extenuating circumstances to item #2 may be granted upon approval of the Treasurer, Vice President, and President. Decisions will be made on a case-by-case basis and may result in a partial or full refund. The decision of the three officers is final.
4. The Registration Cancellation/Refund Policy shall be published in all relevant association conference/training materials, including the online Registration Form and Training/Conference Program.

### Budget Guidelines

Membership fee structure for all member categories is set by the Board of Directors at their first budget meeting and adopted upon approval of the annual budget.

### Conference Contracts

Because of the expensive nature of conferences, contracts will be sought a minimum of three years in advance to ensure the best bargaining position and hotel availability. When at all possible, the selection of sites and hotels shall follow the schedule outlined below:

Conference/Training Year	Site Proposal	Hotel Contract
2019 - Spring Conference	2016 Fall Board Meeting	2017 Winter Board Meeting

2020 - Spring Conference	2017 Fall Board Mtg (RMASFAA)	2018 Winter Board Meeting
2021 - Spring Conference	2018 Fall Board Meeting	2019 Winter Board Meeting
2022 - Spring Conference	2019 Fall Board Meeting	2020 Winter Board Meeting
2023 - Spring Conference	2020 Fall Board Meeting	2021 Winter Board Meeting
2024- Spring Conference	2021 Fall Board Meeting	2022 Winter Board Meeting
*Every 5 <sup>th</sup> year, one KASFAA business meeting will be held in a far western Kansas location.		

Site Proposal: Provide for the Board a well-reasoned argument for two cities proposed as potential conference sites in order to ensure competition for hotel contract negotiations. Include considerations for hotel availability and convenience to membership.

Hotel Contract: Provide a minimum of two hotel contracts per event to consider (if possible). Prior to presenting the contracts at the board meeting, have them reviewed by the Association Governance Committee during the summer board meeting.

**Conference Fundraisers**

It has been customary to hold an annual conference fundraiser as part of the entertainment during the spring conference. This event is typically planned and organized by the Corporate Development committee. Recipients of the proceeds are identified and approved by the KASFAA board of directors.

Proceeds may be given to a charitable program. This is typically an organization that is located in the community in which the conference is held. To comply with federal standards for non-profit, charitable organizations, the mission and goals of the recipient of the funds must align with KASFAA’s mission and goals. The request for approval must contain an explanation of how the recipient meets this standard. The award amount is to be determined in consultation with the KASFAA executive board and the recipient invited to receive the funds on the final day of the conference.

Proceeds from the event have also been used to increase the RMASFAA Summer Institute scholarships given by KASFAA. The number of additional scholarships depends on the amount raised.

Finally, proceeds from the event have also been awarded in the form of a need-based scholarship to be given to an enrolled student at a school or schools selected from a random drawing of current institutional members or as designated by the Board of Directors.

The criteria for determining how many schools are selected is contingent on the amount of money raised and is distributed as illustrated in the chart below:

\$0 - \$499	One School
\$500 - \$999	Two Schools
\$1000 - \$1499	Three Schools
\$1500 - \$1999	Four Schools
\$2000 - \$2499	Five Schools
\$2500 - \$2599	Six Schools

Additionally, the following rules for need-based scholarships apply:

- The money collected will be divided equally among the schools selected
- A school is not eligible to receive the scholarship two years in a row, but will be eligible the following years.

### Corporate Sponsorships

The Corporate Development committee is in charge of soliciting annual sponsorships from organizations wishing to make a donation to support the work of the KASFAA organization.

### General Funds Support

A contribution to the general fund supports the following KASFAA initiatives –KASFAA Annual Spring Conference, High School Workshop Training and other training activities as well as general operating functions. Additional support will be recognized by the organization in the annual spring conference program.

### Exhibit Opportunities

A contribution for exhibiting at the annual spring conference reserves booth space for your organization and promotional materials at the annual spring conference. All exhibitors must abide by the following conference exhibit policies:

#### *KASFAA Conference Code of Conduct:*

- 1) Exhibitors shall not provide any gift or give-away items of more than nominal value (i.e. less than \$10 fair market value).
- 2) Exhibitors may not offer conference participants the opportunity to sign up for or enroll in any contests or to receive gifts or giveaways at a later time in excess of the stated nominal value.
- 3) Only exhibitors with paid exhibitor fees will be allowed to set up a booth at the conference.
- 4) Booths are randomly assigned prior to the conference. Every consideration is given to provide exhibitors with prime locations and visibility.

### Corporate Support Amounts

General funds support can be of any amount as determined by the donor. Exhibitor fees are set annually as part of the budgeting process. Traditionally a flat, exhibitor rate is charged with a discounted rate charged to members of the association and for early registration. Exhibitors must also register and pay for conference attendance in addition to paying the exhibitor fee.

### Scholarships

KASFAA has traditionally provided four full registration scholarships for KASFAA members to attend RMAFSA Summer Institute training in the summer months. Applications for the scholarship are posted online and available in September annually. The opportunity is advertised annually at the October conference and due in January prior to the annual winter board meeting. Winners are selected in February and recognized at the April conference. Winners are asked to contribute back to KASFAA as payment for their selection by volunteering for KASFAA board service, committee service, and/or presenting at the annual spring conference.

### Elections

Election of officers of the Association will be coordinated and implemented by the Association Governance Committee. It is an institutional responsibility to make certain that any individuals otherwise eligible to vote (see definition in the by-laws) are included on the membership master list prior to the election. Any person not included on the membership master list at that time may not vote in the election.

Typically, there will be a single on-line ballot available on the KASFAA website. The Association Governance Committee will conduct an election by soliciting possible candidates from the membership within 60 days prior to the regular October 1st. The slate of candidates, including biographical information and pictures, will be posted on [www.kasfaa.org](http://www.kasfaa.org) within 30 days prior to October 1st. The online ballot should also be provided within 30 days prior to October 1<sup>st</sup>. The Association Governance Committee Chair will review the election results and announce the outcome of the election by October 15th.

Newly elected officers will begin working with current officers immediately following the announcement of the election results to ensure a seamless transition.

### Removal of a KASFAA Executive Board Member or KASFAA Board Member

The board of directors may remove a director who:

- Has been declared of unsound mind by a final order of court;
- Has been convicted of a felony;
- Has missed a number of board meetings; or,

- Does not satisfy at the time any of the qualifications for office or board of directors as set forth in the bylaws or policies and procedures, if the decision that the director fails to satisfy a qualification is made by the vote of a majority of the directors who meet all of the required qualifications.

Except as otherwise provided in the bylaws or policies and procedures, an officer or committee member who is appointed by persons other than the membership may be removed with or without cause by those persons.

## **Membership Activities**

KASFAA encourages every member of the Association to actively participate in the Association at all levels to enhance the organization itself, and provide for their own personal and professional growth. To achieve this, every effort is made to institute a broad base of institutional representation throughout the officer nominations and committee structures. The Association also strives to assist members in active participation in the regional and national associations of student financial aid for those same reasons. Regional and national representation enhance and strengthen the state association, and provide a broader avenue for flow of information to the membership at large and the constituents the Association serves.

KASFAA-sponsored events, such as high school counselor training or other similar event, are NOT to be held in conjunction with school recruiting events. It is important to the integrity of the Association that it not be associated with school-sponsored, or recruiting, activities.

## Awards

KASFAA recognizes individuals who have provided voluntary service or made significant contributions towards the aims and ideals of the financial aid profession in KASFAA. Any member of the association may make nominations for awards. Generally, the KASFAA Awards Banquet will be held in conjunction with the annual Spring Conference. Following is a list of the current, approved awards. The Board of Directors must approve any other recognition.

Length of Service Awards will be presented to members and associate members who have maintained paid membership in KASFAA for 10, 15, 20 and each five years thereafter. A start date between January 1 to December 31 counts as a full year of service for the purpose of the Length of Service Award. In addition, the members' institution must be a current paid member of KASFAA. The Awards Committee Chair will submit a list of members and associate members to the Board for their consideration at the winter board meeting. In case of questions about start dates, the Awards Committee Chair will contact the member in question and is authorized to make decisions on award eligibility. Consultation with the Awards Committee members in these cases is encouraged.

Retirement Recognition is given to members who have officially retired from their place of employment, the profession and their institution. They must have 10 years of service or more active participation in KASFAA. The Awards Committee Chair will report the names of those who appear to be eligible for retirement to the Board at the winter meeting. Questions, if any will be handled in the same manner as described above. The retirement gift shall be determined by the Board of Directors. Those recognized upon their retirement should be kept on the KASFAA mailing list and are welcome to attend meetings or participate in KASFAA activities as though they were still paying membership dues.

Deborah Byers Outstanding Service Award is presented to recognize the outstanding contribution of an individual in the field of financial aid through contributions to KASFAA. The Board may select one member or associate member each year by secret ballot at the winter board meeting. Nominations are requested from the membership and can also come from the Board. A person is eligible to receive this award only once. A plaque is awarded at the KASFAA Awards Banquet.

Outgoing President's Plaque – the Awards Committee will provide a plaque in recognition of the outgoing KASFAA President to be presented by the incoming President at the Awards Banquet.

Meritorious Achievement Award is presented to an individual who has made an important contribution to KASFAA or to the financial aid profession that KASFAA wishes to recognize. To receive a "Meritorious Achievement Award", the individual should have made either an

important single contribution or significant multiple contributions to KASFAA or the profession. The individual does not have to be a member of KASFAA. The purpose of this award is to encourage members to become involved in carrying out the mission of the Association and to encourage continued individual support to the financial aid profession. This award would not necessarily be an annual award. It would be awarded at the Spring Conference in the year in which it was awarded. Anyone in the Association may nominate an individual for this award. The Awards Committee will solicit nominations from the membership through its regular process of identifying others to be recognized at the Spring Conference. Since this is a prestigious award, it should be submitted to the KASFAA Board of Directors for approval. Any individual selected should not be told of this award. It should not be announced publicly until the Awards Banquet at the Spring Conference.

The Hall of Fame Award is the highest award made by KASFAA. The Awards Committee will solicit nominations from the membership through its regular process for other awards. The Board of Directors chooses the award recipient(s) at the winter meeting. It is not mandated that this award be given each year. The decision of the Board will remain secret until the Awards Banquet at the spring meeting. This award can be given to any person who has contributed significantly to the financial aid profession for a minimum of fifteen years. The award is presented at the Spring Conference.

Committee of the Year Award is selected each year by the KASFAA President who recognizes them at the annual Awards Banquet.

Special Recognition Award was established to recognize individuals who have left the association and/or profession and are not a current year recipient of a distinguished KASFAA award. It was designed to recognize individuals for their service to KASFAA. The Awards Committee Chair will report the names of those who appear to be eligible for recognition to the Board at the winter meeting. The Board of Directors can add additional names to the list. Recipient(s) of this special recognition will be at the recommendation of the Executive Board.

# ADDENDUM 1

## Conflict-of-Interest Policy for the KASFAA

### *Scope*

The following statement of policy applies to each member of the Board of Directors of KASFAA. Board of Directors members include Officer and Committee Chairs and will be referred to hereafter as the Board. In addition, it is intended to serve as guidance for all KASFAA members.

### *Fiduciary Responsibilities*

Board members, officers, and members of KASFAA serve the greater good of the organization and have a clear obligation to fulfill their responsibilities in a manner consistent with this fact. All decisions of the Board are to be made solely on the basis of a desire to advance the best interests of the organization. The integrity of KASFAA must be protected at all times.

Effective boards will include individuals who have relationships and affiliations that may raise questions about perceived conflicts of interest. Although many such potential conflicts are and will be deemed inconsequential, every Board member has the responsibility to ensure the entire Board is made aware of situations that involve personal, familial, or business relationships that could be troublesome. Thus, the Board requires each officer annually (a) to be familiar with the terms of this policy; (b) to disclose to the KASFAA President any possible personal, familial, or business relationships that reasonably might give rise to a conflict involving KASFAA; and (c) to acknowledge by his or her signature that he or she is in accordance with the letter and spirit of this policy.

### *Disclosure*

All Board members are requested to list on this form only those substantive relationships (a) they or members of their family maintain with organizations that do business with KASFAA, or (b) that potentially could be construed to affect their independent, unbiased judgment in light of their decision-making authority and responsibility.

If a member of the Board is uncertain whether to list a particular relationship, the President should be consulted. He/She may elect to seek the judgment of the other KASFAA officers before informing and consulting with the entire Board within an executive session (either in-person or via electronic means) If the Board determines that no potential conflict exists, an Exception will be granted. Information shared or gathered as a result of such consultations (including information provided on this form) shall be confidential except when the KASFAA's best interests would be served by disclosure. Such disclosure will be made only after informing those concerned.

The following definitions are provided to help the Board and officers decide whether a relationship should be listed on the disclosure:

- **Business Relationship:** One in which a Board member or a member of his or her family as defined below serves as an officer, director, employee, partner, Trustee, or controlling stockholder of an organization that does substantial business with KASFAA.
- **Family Member:** A spouse, parent, sibling, child, or any other relative if the latter resides in the same household as the Board member.
- **Substantial Benefit:** When a Board member or a member of his/her family (a) is the actual or beneficial owner of more than 5 percent of the voting stock or controlling interest of an organization that does substantial business with KASFAA or (b) benefits directly, indirectly, or potentially from cash or property receipts totaling \$10,000 (what does the Board consider substantial?) or more annually.

### *Restraint on Participation*

Board members who have declared a potential conflict of interest, or who have been found to have a potential conflict of interest, shall refrain from participating in consideration of proposed transactions unless the Board requests information or interpretation for special reasons. Should a potential conflict of interest matter require a Board vote to resolve, those concerned shall not be present at the time of the vote.
